VOLUNTARY SELF-IDENTIFICATION OF DISABILITY

Why are you being asked to complete this form?

Because we are regulated by the federal government, we must provide equal opportunity to qualified people with disabilities.

¹ To help us measure how well we are doing, we are asking you to tell us if you have a disability or if you ever had a disability. Completing this form is voluntary, but we hope that you will choose to fill it out. Any answer you give will be kept private and will not be used against you in any way. Because a person may become disabled at any time, we are required to ask all of our apprentices to update their information while in the program. You may voluntarily self-identify as having a disability on this form without fear of any punishment because you did not identify as having a disability earlier.

How do I know if I have a disability?

You are considered to have a disability if you have a physical or mental impairment or medical condition that substantially limits a major life activity, or if you have a history or record of such an impairment or medical condition. Disabilities include, but are not limited to:

- NO, I DON'T HAVE A DISABILITY
- I DON'T WISH TO ANSWER

Reasonable Accommodation Notice

Federal law requires the program to provide reasonable accommodation to qualified individuals with disabilities. Please tell us if you require a reasonable accommodation to apply for a job or to perform your job. Examples of reasonable accommodation include making a change to the application process or work procedures, providing documents in an alternate format, using a sign language interpreter, or using specialized equipment.
